

**Competition Update****6<sup>th</sup> Oct 2021**

Hello,

All fellow Club Belrose Golf members, at last night's Committee Meeting it was unanimously decided to cancel this year's Club Championship and Point Score competitions due to the Covid restrictions that prevented several games being played as well as players being unable to participate in games that were played.

To acknowledge this year's current point score, it was decided that there will be a Covid Cup for the winner of this year's Point Score. This will be for a Trophy only and will not be recognized on the Point Score Honour Board and will not receive any financial award.

The Captains Trophy will be awarded and inclusive of the last round at Wakehurst on the 28th of November if there are no restrictions.

The Travellers Cup, Bodega Cup and Memorial Shield will be recognised as they were all played and completed without restrictions.

Yours in Golf  
Club Belrose Golf Committee.
